COMMERCIAL DIVING WITH A DEGREE. FATHOM THAT!

Receive an Associate of Science degree in Underwater Technology from Florida Institute of Technology, a major Florida university which is an acknowledged leader in diver training.

This program is designed so the F.I.T. graduate is not only a competent working diver, he also possesses the technical and managerial skills to move up in the highly competitive commercial diving industry.

The education is "hands on" with all the necessary facilities and equipment right at your door. Our deep-diving tank, recompression chamber, fleet of ocean-going vessels docked at our own port right on campus, and the Florida weather and water contribute to the phenomenal success of our grads. So, take the plunge, get in the swim and join us. To find out more about your future as a commercial diver with a college degree, write or call us.

F.I.T. admits students of any race, color, sex, national or ethnic origin and does not discriminate on the basis of handicap in admissions or access to its programs.
